KIDS PIZZA MAKING PARTY

WE'LL THROW THE PARTY THEY'LL THROW THE DOUGH

It's every kid's dream to be encouraged to make a mess and play with their food and we're inviting them to do just that for a unique pizza-making experience.

Your personal party host will have your little ones tossing pizza dough before being let loose on the ingredients to craft their own pizza pie. Unique pizza making fun combined with fun and games will keep their attention the whole party through.

A typical party lasts 90 minutes, depending on the number and age of the children attending.

Kids' parties can only be taken at off-peak times. Please contact us to find out when times are available.
